

## Please be a responsible visitor

a few things you can do to help save the planet....

**Give the car a rest** – take a walk, get on your bike or use public transport, the ‘Clay Trails’ from Wheal Martyn lead St. Austell (2 miles) and the Eden Project (5 miles). A bus goes right past our entrance and we have a horse tethering area on site and bike racks in the car park. **Bike Hire** is available from Pave Velo and they will drop the bikes to you – St Austell 01726 64950

**Shop locally** – Cornwall has some of the most delicious local food producers as well as talented artists and it helps the local community to embrace these by shopping in the local area. Our café serves great home cooked food sourced locally.

**Reduce, reuse, recycle** – Embrace our activities on site, please take your creations home but once you have finished with them please recycle any waste possible, alternatively we can recycle them for you.

**Be water wise** – use water wisely. Please turn the tap off after use.

**Respect nature** – help us to look after our lovely landscape and abundant wildlife by using bins provided and keep to the walkways and cycle paths.

**Support green tourism businesses** – there are hundreds of businesses trying to reduce their environmental impacts through the Green Tourism Business Scheme. Businesses are awarded Bronze, Silver and Gold for their efforts to be more environmentally responsible. See [www.green-business.co.uk](http://www.green-business.co.uk) for more information.

**Most importantly have a great time and enjoy your visit.**  
Please come back and see us again soon.

*We are a charity, thank you for supporting us*
